"Family" includes a person's spouse, parents, children, siblings, mothers-in-law and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone who shares such person's home.

RO/GOLF SHARE TRANSFER FEES

CCCRO, Inc. will charge a \$50.00 transfer fee to the “buyer” of a home or a person purchasing a share from another resident.

POLICY 12 - CCCRO, INC ADMINISTRATION

EMERGENCY FUND USAGE

The Emergency Fund was approved and funded in July of 2019 by the Board of Directors by moving \$200,000.00 from the Development Fund to the newly created Emergency Fund.

The ongoing funding is provided by depositing \$2,000.00 monthly, beginning 01/01/2020 into the fund until such a time as the fund reaches \$ \$250,000 or other amount recommended by the Treasurer. When the fund reaches \$250,000, the amount over \$250,000 will be transferred to the Reserves.

The intent is to have an emergency fund that can be used in the event of a hurricane, tornado, flood, fire, or other disaster that does significant damage to Continental Country Club.

Its use should be confined to rectify significant damage to the common grounds, roads, amenities, and/or resident's property, subject to the provisions and restrictions outlined below. Significant damage is defined as damage that would require at least \$10,000.00 in capital to rectify.

It cannot be used for damage that is caused by neglect or otherwise normal wear and tear. It cannot be used to make improvements.

The use of funds is subject to Board Approval and Community Financial Guidelines defined throughout the Association Governing Documents..

Residents should carry insurance to protect their property. However, the board can designate money from the Emergency Fund to help alleviate the situation in a timely manner. Such expenses can include but are not limited to, removing debris, cutting and removing fallen trees, water removal or other items that are deemed by the Board to be necessary to restore the community.

POLICY 13- CCCRO, INC BIDS

PURCHASING AND CONTRACTING

The Board of Directors has a fiduciary responsibility to get the best value in the goods and services for which we issue purchase orders or contracts. The primary way this can be accomplished is through competitive bidding. Not all items can or need to be acquired through competitive bidding and judgment needs to be applied.

There are some areas where competitive bids cannot be obtained:

1. Not enough suppliers in the area who can provide the goods or services needed.
2. Low cost items where the supplier will not provide written quotations. Price comparisons can be obtained by telephone.
3. Replacement items where it is necessary to go back to the original supplier.

CCCRO, Inc. will use competitive bidding to seek the best value in the goods and services for which it issues purchase orders or contracts whose value is \$5,000.00 or more. CCCRO, Inc. will obtain at least three competitive, sealed bids returned to the General Manager in sealed envelopes and opened at the same time. Copies of the bids will be kept in the purchasing files as backup to the purchase order or contract.

The bidding/purchasing/contacting process will include the following steps to assure optimum results.

1. Bidders List – If CCCRO, Inc. is in doubt about the qualifications of any of the potential bidders, a qualification form, furnished by CCCRO, will be required to determine a supplier's/contractor's financial status and work experience. A bid list can include former suppliers known to CCCRO and other qualified vendors.
2. Bid Package – So that all bidders use the same information to prepare bids, CCCRO, Inc. will supply written descriptions of the scope of work, drawings, specifications, start and completion dates, and other information that could affect estimates. Pre-bid tours of the construction site may be helpful.
3. Bid Openings – At least three persons will be present at bid openings which may be open to bidders at the option of the General Manager. At least one of those present must be a Board member. As bids are read, the General Manager will prepare a summary of bids for review by the CCCRO Board.

POLICY BOOK

4. Contracts – CCCRO will issue either a purchase order or a contract prepared to CCCRO format. If a supplier prefers to use a standard contract, its term and conditions should be carefully reviewed for acceptability and long term impact on CCCRO operations.
5. Insurance – No work will be started until we have received certification that the contractor carries liability and workers' compensation insurance.

We shall respect the confidentiality of each bidder and not disclose the contents of bids to other bidders or to “shop bids”.

POLICY 14- CCCRO, INC LEGAL

ATTORNEY FEES

In no case where legal fees/expenses will be charged to CCCRO, Inc., and/or its subsidiaries, will any Board member, the General Manager or any Board established committee member contact an attorney or seek legal advice/information, without the advance approval of the Board President or in his/her absence the Vice President.

This does not preclude, the Board of Directors while in session, to order procedures for involvement (or non-involvement) in legal situations.

POLICY BOOK

POLICY 15- CCCRO, INC ADMINISTRATION

Fiduciary Responsibility

Effective March 1, 2020, the ADMINISTRATION POLICY is in effect:

The fiduciary responsibility of the Board of Directors is established by the Florida Statutes and by extension, tracks to all CCCRO, Inc. management. Beyond that, it is more a promise and guarantee to our resident owners.

Wage/benefit controls, even beyond budgets, is very important. The General Manager is part of these controls under the direction of the Board of Directors.

Effective immediately:

The General Manager can give hourly and non-exempt workers, three types of raises. They are Cost-of-Living (CPI) raises, Merit Raises, and Promotional Raises.

1. CPI Raises can be given once per year and cannot exceed the current CPI.
2. Merit Raises can be given 90 days after employment, and at other times as warranted by the employee's performance and deemed appropriate by the General Manager. Merit Raises cannot exceed 8% per year without approval by the Board of Directors.
3. Promotional Raises can be given any time of the year that the employee changes to a new position or takes on added responsibilities and is deemed appropriate by the General Manager. Promotional Raises cannot exceed 15%.
4. Employee's raises cannot exceed 20% total in any given year.

The General Manager can give managers, professional, and exempt workers the three types of raises outlined above with the following restrictions:

1. They cannot exceed the amount budgeted for salaries without the approval of the Board of Directors.

POLICY BOOK

2. They cannot exceed 8%.

Wage freezes designated by the Board of Directors, apply to all employees except where there are wage or salary guarantees in written contracts. During the freeze, the General Manager cannot give any raises for any amounts without approval by the Board of Directors.

In the event that these policies jeopardize the retention of an employee, the General Manager should discuss the concern with the Board of Directors.

It is obvious that any benefit, change in benefit levels, and/or incentive programs have multiple years impact to the budget. Therefore, the General Manager cannot provide any benefit, change any benefit level, nor offer or change any incentive program without the approval of the Board of Directors.

POLICY 16- CCCRO, INC ADMINISTRATION

PERSONAL USE OF CCCRO, INC. PROPERTY

The use of CCCRO, Inc. property for personal use can subject CCCRO, Inc. to liabilities risking cost of operation and insurance coverage. Also, inventory control becomes more difficult and wear/tear is increased.

Vehicles, equipment, tools, material, furniture and similar CCCRO, Inc. property are not to be used or taken for personal reasons by CCCRO, Inc. employees or other workers without the advance approval of the Board of Directors. No managers are to give such approvals although requests may be relayed through the General Manager.

While residents/owners have the opportunity to use many of the above items as amenities in the common areas of CCCRO, Inc. taking of the same for use in resident locations is not permitted without the Board of Directors approval as listed in paragraph two.

Any authorizations by the Board of Director) to allow use of referenced items in paragraph two should be limited and with due consideration to risks and benefits to CCCRO, Inc.

CCCRO, Inc., Inc. must ascertain our coverage of personal use and any resulting injury under our liability insurance policy. Our liability insurance may restrict any authorization for use of CCCRO, Inc. property by even the Board of Directors.

A list should be made and maintained of the exceptions and authorizations so that such use may be authorized or terminated. It may be possible to give blanket approval for special repetitive uses.

POLICY 17- CCCRO, INC BOARD CANDIDATES

EMPLOYEES SERVING ON THE BOARD

CCCRO, Inc. employees or persons leased to or having a contractual association and their spouses, who might otherwise be eligible to serve on the Board of Directors, are not eligible to serve on the Board of Directors. However, such employees/persons or their spouses may run for the Board of Directors providing, if elected, they immediately resign from the paid positions listed in the preceding sentence.

POLICY 18- CCCRO, INC ADMINISTRATION

REAL ESTATE CLOSING OF PHASE III & CHAMPION LOTS

The CCC R.O., Inc. Declaration of Restrictions defines all Timber Estates Phase III Lots, including the Golf Course Lots (Champion Lots), as requiring Mandatory Membership. In effect, it prevents the owner from selling or transferring the share without also transferring the lot. They must both go together. Since the lot is Real Estate, and the share is intangible, a special procedure must be followed in closing these properties.

1. In the case where a sales contract has already been drawn up and the price for the lot includes the price of the share, the sales contract can be modified, separating the two with the price of each stated separately.
2. If this is unsatisfactory, then the items can be listed separately on the closing statement with the price of each placed next to the item identified.
3. In the case of a new contract, the contract should be written up with the price of the lot separate from the price of the share or shares.
4. At the time of the lot closing, a share transfer form should be written up, and a copy given to the buyer. The original should be given to the Administrative Personnel so the necessary share can be issued, signed and sealed.

POLICY 19- CCCRO, INC ADMINISTRATION

FAIR HOUSING COMMUNITY PLAN

Letter dated October 28, 2002 sent to all Lot Owners, Other Occupants and Renters, and Real Estate Agents.

Continental Country Club, R.O. Inc., issued amended and restated Declarations of Restrictions effective October 2, 2002, which supplant and replace all prior Declarations reference any lot except to the assessment and payment rates for certain operation and maintenance charges which by reason of prior court decisions and contractual relationships are not uniform throughout CCCR.O., Inc. These amended and restated declarations have been filed with the Sumter County Clerk of Circuit Court.

Also, effective September 27, 2002 and filed in Sumter County Court, CCCR.O., Inc., has asserted in its Community Fair Housing Act Community Plan, as well as in the amended and restated Declaration of Restriction of the first paragraph, that is a community intended and to be operated as housing for older persons.

One of the important purposes of the above documents is to ensure the proper use, development and improvement of each lot and to protect owners of lots against any uses which might depreciate the value of a lot.

All lots shall be held, conveyed, transferred and sold subject to the above mentioned documents. CCCRO, Inc. or any lot owner may bring action at law or in equity to enforce compliance with these documents.

CCCRO, Inc. also reserves the right to make reasonable rules and regulations for the maintenance, operation, use possession and enjoyment of the property. Note the following procedures:

1. The owner of a lot has the primary responsibility to make basic disclosures to a prospective buyer prior to closing, as well as any renter whose occupancy exceeds thirty days.
2. All Real Estate agents, prior to closing, have a secondary responsibility to ascertain that the lot owner communicates sale/rental information to buyer or renter consistent with CCCRO, Inc.'s documents and rules and regulations.

POLICY BOOK

3. Further, those listed in numbers 1 and 2 above must notify CCCRO, Inc. administration personnel (General Manager, Controller, or Office Secretary) prior to any closing (or renting) that such prospective transaction is planned. This is to be logged and dated.
4. No sale, sublease, assignment, or rental shall occur without the prior written approval of the Board of Directors or its designated agent.
5. All those listed in numbers 1 and 2 above authorize CCCRO, Inc. to make age check and background screening or verification of person looking to buy or rent as well as other same home occupants. This could include criminal background screening or other information in public records.
6. All those listed in numbers 1 and 2 above authorize CCCRO, Inc. to require reliable documentation to insure compliance with our Declaration of Restrictions, Fair Housing Community Plan, Rules and Regulations and the expediting of background screening. Documentation includes, as necessary, driver's license, or other photographic identification, birth certificate, passport, immigration card, military identification or other state, national or international official documents.
7. Screening fees up to \$100.00 per sale or rental transaction may be assessed to the buyer or renter by CCCRO, Inc.
8. CCCRO, Inc. isn't under any obligation to approve occupancy of any person whose occupancy either as an individual or with others would be inconsistent with the Declaration of Restrictions, Community Fair Housing Plan, and other relevant documents.

CCCRO, Inc. is entitled to screen prospective buyers, renters, and other occupants and to prevent a sale or rental transaction even if legal action is required to do so.

This notice is provided in order to prevent any surprises and allow good decisions for all interested parties. We anticipate that these procedures will enhance the quality of life in our community.

The following individuals then signed the letter: Raye Guardado, President; Phil Bauer, Vice President; Russ Nero, Secretary; Howard Schlegel, Treasurer; Jean Knolle, Golf Board Chair; Carl Ross, Board Member; Russ Main, Board Member, Judy Thompson, Board Member; Tod Egger, Board Member; Bobby Hunt, General Manager; and Priscilla Stonehouse, Controller.

POLICY 20- CCCRO, INC RV AREA/SMALL BOAT STORAGE

SMALL BOAT STORAGE RACKS

The purpose of the Large Mobile Unit Storage area (LMUS) is to provide a storage area for the following units too large to store in a resident's garage or carport as listed below on a priority and space available basis:

1. Motor homes
2. Travel and 5th wheel trailers
3. Boat trailers with/without boat
4. Pop-Up campers
5. Cargo/utility trailers
6. Trucks with 5th wheel trailers attached

ATTENTION: NO PRIVATELY OWNED VEHICLES (POV) ALLOWED – i.e. cars, pickup trucks, motorcycles.

Due to limited space, residents are not guaranteed a space, but the LMUS Committee will make every effort to provide:

1. One (1) appropriate space per initial request from a single resident home; two individuals with different names living in the same home are eligible only for a single space.
2. A second space will be filled only on space available basis.
3. A third space request will be assigned only on space availability for a limited time.
4. When a space of appropriate size is not available for a particular size or kind of unit, the requesting resident's name will be put on the LMUS Committee's waiting list by category.

The control of the area is the responsibility of the Resident-User Committee:

1. The CCC Board of Directors has assigned the LMUS Committee the responsibility to operate and control the LMUS area in accordance with the LMUS charter.
2. Users must abide by the LMUS areas "Rules and Regulations" (See Exhibit A).
3. When necessary, the LMUS Committee may request assistance from CCC Security and/or the General Manager to enforce the Rules and Regulations.

Storage Conditions are the responsibility of the mobile unit's owner:

1. All units must be capable of moving. (See Rules and Regulations)
2. All motorized units and trailers must be legally registered and have current license plates attached.
3. Each user must read and agree to abide by this policy and all related Rules and Regulations when signing the "Space Application Form".

POLICY BOOK

- Neither Continental Country Club R.O. Inc., nor the LMUS Committee will be responsible for any damage done to persons or any vehicle while in the storage area. It is the responsibility of the unit's owner to have proper applicable insurance.

Effective July 22, 2019, all rental spaces in the LMUS will be for either 6 months or 12 months.

Fees are as follows:

- 1 - 6 months = \$60.00
- 7 - 12 months = \$100.00
- 1 year = \$25.00 (small boat rack)

If renting for 6 months the renter will not be guaranteed a spot for their next rental request.

Refunds:

If for any reason you permanently remove your item from your space, you will be eligible to receive a refund for any remaining paid-up full months.

Key policy:

- A \$5.00 refundable fee will be charged for a key
- A \$5.00 refundable fee will be charged for a replacement key

Spaces in the LMUS lot are reserved for occupants of CCC, owner/occupants will be given priority over renters.

Because LMUS users downsize and upsize their motor homes, trailers and boats frequently, the RV Committee reserves the right to relocate tenants based on size to accommodate all of our residents at any time. Failure to do so will result in a violation and they could lose their privilege to use the LMUS.

The renter will be allowed to park/store up to two units in the slot that is assigned to them providing the units fit within the designated space/slot allowed. This rule would include motor homes that have a car dolly (motor home and car dolly is considered one unit).

Spaces cannot be sublet to another person, nor can you allow someone to use your space while you are away. Each space is assigned by the Administration Office to that person and unit that was registered. If you replace or change the unit stored, it must be registered at the Administration Office prior to parking it in that space.

If a resident has a complaint it must be put in writing and filed with the LMUS Committee Chairman. If satisfaction is not acquired after Committee consideration, the offended resident may request the Chairman send the complaint via the "Board Liaison" to the Board of Directors for resolution.

POLICY BOOK

RULES AND REGULATIONS OF LMUS AREA

Each resident placing a unit in the Large Mobile Unit Storage Area (LMUS) must adhere to the following “Rules and Regulations” approved by the Continental Country Club R.O. Inc., Board of Directors on June 25, 2018.

1. Every unit must be registered with the LMUS Committee and the Continental Country Club Administration office, with owner required to provide: (a) proof of ownership, (b) the unit is operable for going on the road, and (c) last name posted by the spot number and (d) owner contact information, address and phone number.
2. The Administration Office will provide a barcode sticker for each unit in the RV Park that must be attached to the unit for identification purposes. The user is responsible for maintaining their barcode. If a second barcode is requested for the same unit twice, within a fiscal year the barcode was issued, the user may be charged the replacement cost of the barcode. Any unit not having a barcode maybe removed from the LMUS area.
3. Any unit failing to meet the requirements of these Rules and Regulations will be subject to removal. If the owner of the unit has provided contact information as required by these Rules, the owner will be mailed notification of the violation and given twenty (20) days from the date of mailing to remove the unit, or otherwise correct the violation. If contact and ownership information has not been provided as required, no such notification will be required. If the violation is not remedied, Continental Country Club R.O., Inc. may take any and all actions available pursuant to Florida law, including without limitation causing the unit to be towed.
4. A temporary covering, such as a tarpaulin, may be used by a unit owner, if approved by the LMUS Committee, kept in good repair, and does not encroach on any other space. Permanent coverings ARE NOT PERMITTED.
5. Each unit will be kept in its assigned place and within the allocated space. A space user DOES NOT have the right to move or remove someone else’s property without permission. Likewise, no one may modify the space assigned or change spaces without the Committee’s approval.
6. Each unit is required to have last name posted on a sign under the designated lot numbers. (Signs can be provided through the wood workshop, donations accepted). Any space left vacant for 6 months will be eligible for reassignment UNLESS the user notifies the Committee of an extended absence.
7. When a user “replaces” the original unit, a new “Application for Space” must be completed and filed with the Committee for the new unit. This requirement provides the Committee information necessary to update records and review space assignments for any necessary space changes.
8. If you sell your property and are no longer a homeowner, your item(s) must be removed from the RV park no later than the day you sign your closing paperwork.
9. Major mechanical or body work cannot be performed in the storage area. Minor work, such as changing a battery or polishing the unit is permitted.
10. The user is responsible for keeping the assigned space clean and in order. This includes doing any weeding that cannot be done by the lawn crew, i.e. under the unit, close to the tires, on the fence.

POLICY BOOK

11. The area is dry storage only, and no water is permitted to be dumped, nor waste or fuel from any tanks.
12. No one can live in a unit while in storage.
13. The use of generators is limited to “need” to run for maintenance.
14. All propane tanks must be shut off to satisfy fire prevention requirements.
15. Except for vehicle fuel in a vehicle’s tank and propane in the proper tanks, hazardous or flammable material may not be stored in any unit.
16. Any damage, vandalism or theft of equipment while stored in the LMUS area must be reported immediately to the Continental Country Club Administration office, a member of LMUS Committee and Security; if necessary, a police report shall be filled out.
17. All easily removable valuables should be removed from unit to reduce attractiveness of the unit’s contents (i.e. GPS, expensive TV’s and/or electronic devices).
18. Owners may want to etch their driver’s license number or a notable registered number on all portable equipment to aid in identification in case of theft.
19. The LMUS Committee will perform periodic inspections of the area, a user will have twenty (20) calendar days to correct any deviations following the Committee’s formal notification of same. Serious infractions may require faster or immediate action, i.e. improper parking of registered OR unregistered units or that is impeding the proper use of the storage area by other users.
20. The Committee has the right to recommend a future change to this policy to the Board of Directors for their approval.

Abuse/Violation Enforcement

The automated systems used by the residents, renters and guests make it convenient to enter the community. In the event the systems are abused, management reserves the right to suspend the privilege of automated entry. Access to the community would still be available by checking in at the Community Watch Building as stated in Florida Statue 720.305. Outstanding violations and Operations & Maintenance fees may also result in a suspension of using the systems. Guests may have to be registered daily by the Owner/Occupant that is on file with the Administration Office until the matter at hand is resolved.

Examples of abuse that would lead to suspension of privileges:

- Allowing an individual or party to enter the community and roam the neighborhood in a threatening or suspicious manner.
- Allowing an underage individual or party to exceed the guest policy.
- Not registering Renters with the Administration Office.
- Allowing disturbing activity in the community.
- Sharing of handheld barcode devices.

ADMINISTRATION

EXCEPTION/INSPECTION POLICY

From time to time the Board of Directors grants exceptions to our Declarations of Restrictions, Bylaws, and Rules and Regulations.

Effective immediately, these exceptions are granted *only* to the current owner of the property. Before the ownership of the property can be changed, the property must conform to the current governing documents. This includes all types of ownership transfer including but not limited to, sales, gifts, inheritance, probate, marriage, and court order.

This applies to exceptions that were submitted and approved by the Board of Directors and exceptions that were granted by omission.

When considering a transfer of ownership, you must request a *compliance letter* from the Administration Office. The seller will be required to sign a “Compliance Inspection Agreement” to acknowledge they understand the items that will be inspected. An inspection of your property will then be scheduled and all exceptions that need to be reversed will be noted. This does not apply to anything inside the home. Noted exceptions, such as free-standing sheds and home maintenance neglect will have to be corrected and the property re-inspected before the transfer will be approved. The property owner is responsible for the costs associated with bringing the property into compliance, including obtaining any and all Sumter County permits that may be required, unless the Buyer agrees in writing to correct the exception and obtain the permits within 60 days of purchase. Such agreements must be signed by both the Seller and the Buyer and submitted prior to the sale being approved. Furthermore, if the Buyer accepts responsibility to bring the property into compliance, prior to closing, the Buyer will deposit \$1,000.00 with Continental Country Club R.O., Inc. until the work is completed, at which time, Continental will refund the money provided the work is completed satisfactorily. If the work is not completed within 60 days of purchase, Continental may use the money deposited by the Buyer to do the work. Continental has the right to require funds in excess of \$1,000.00 if Management estimates the cost to be greater.

Continental Country Club Resort Inc. is not responsible for any costs associated with bringing the property into compliance.

POLICY BOOK

Exceptions that are exempt from this policy include those exceptions that were granted for setback exceptions on the main structure (home, screen room, attached garage, attached carport), which will remain in effect until such structure is removed. Other exceptions may be exempted from time to time as granted by the Board of Directors.

A Compliance Inspection is valid for a period of 4 months. Beyond 4 months a re-inspection would be required.

PET POLICY

Only common domestic animals are allowed to be kept as pets. These include, but are not limited to, cats, dogs, fish, and birds and reptiles that are commonly sold in large retail stores or breeders or obtained from animal shelters.

Dogs, cats, and other four-legged animals are limited to 2 per household, including all rescued, fostered, and boarded animals.

If a household has 2 or more support/service animals as allowed by Federal/State law, no other four-legged animals are allowed at the residence. If a household has one support/service animal, one other four-legged animal will be allowed at the residence.

Enforcement of the above limitation will begin January 1, 2023 and will be in force thereafter. Pet owners that currently exceed this limitation may register their pets with the administration office if they wish to establish their claim of these specific pets being grandfathered. Owners will need to provide simple identification information for each pet (e.g., dog/cat/other, name, breed, age, weight, color, tag #). Pets over the 2-per-household limit may not be replaced upon death or removal.

Farm animals of any kind are prohibited. These include, but are not limited to, cows, goats, pigs, sheep, chickens, and horses.

No dangerous animals may be kept as pets. The Board of Directors has the right to contact Sumter County Animal Services (SCAS) to request pets deemed dangerous to be permanently removed from the property. SCAS will make the determination of whether or not the pet is dangerous.

No wild animals can be kept as pets. These include, but are not limited to, raccoons, deer, wolves, bears, squirrels, and rabbits.

Approval by the Board of Directors to keep a certain animal does not supersede any county ordinance.

All pets must meet Sumter County restrictions, rules, and guidelines. All dogs, cats, and/or ferrets four months of age or older in Sumter County must be licensed and vaccinated against rabies and any other diseases that can spread to dogs, cats, other animals, and in some cases, humans. Licenses are free but violations are subject to fines (currently \$50).

Commercial breeding of pets or animals within Continental Country Club is prohibited.

Owners are responsible for the actions of their pets, both on and off the owner's property. Sumter County requires that all pets must be leashed when not on the owner's property.

Pets are not allowed on the golf course or in any community-owned buildings or at the pool unless required by law.

Pets must be kept off other residents' property without the residents' written permission.

A resident or guest may not have more than 3 dogs at the Dog Park at one time.

Owners must clean up after their pets throughout the community, including the Dog Park.

FINING POLICY

Purpose

This policy is intended to provide information on how Continental Country Club Resident Owner Inc. will address approved policy violation through the authorized fining provisions that are stated in the governing documents FS 617.2102, FS 720.305 and Bylaws of Continental Country Club – Article XIII – Section 1 – Paragraph (a).

This policy shall define the process of the Continental Country Club Board of Directors and the appointed Fining Committee to levy fines for the violation of governing document provisions that have been appropriately approved by the resident owner membership and the Continental Board of Directors.

Fining Committee

A Fining Committee is a Board appointed committee consisting of at least three Resident Owner (RO) shareholders that are in good standing. The members of the Fining Committee are non-paid, volunteers that cannot be officers, directors, employees of the Association or the spouse, parent, child, brother or sister of an officer, director or employee. The role of the Fining Committee is limited to determining whether to confirm or reject a fine or suspension levied by the Board.

The Fining Committee is appointed by the Board of Directors at one of the regular Board Meetings.

Notice of Intent to Fine

The Association must provide at least 14 days written notice by mail or hand delivery to the parcel owner of the intent to fine for a violation. The notice must include an opportunity for a hearing before the Fining Committee. If the parcel owner does not request a hearing with the Fining Committee before the 14 days expire then the fine will be considered valid.

Fining Notice

The Association shall provide a fining notice by mail or hand delivery to the parcel owner that will outline the details of the validated fine which must be paid within 5 days.

Payment of Fines

Validated fines are to be paid to Continental Country Club within 5 days of being levied.

ADMINISTRATION FINANCIAL SCREENING

The ability to look at financial screening is bound by several laws, including the Fair Credit Reporting Act.

It is non-discriminatory and applied evenly to all potential purchasers.

If the purchaser is denied, that person will receive all federally required disclosures telling where the information was obtained, how the decision was made and how any errors on their credit reports can be fixed.

Effective March 1, 2020 the FINANCIAL SCREENING POLICY is in effect:

Anyone wishing to purchase a home in Continental Country Club Resorts must have a minimum credit score of 700. All potential owners listed on the Deed must have a 700 credit score.

The General Manager has the discretion to approve common sense decisions. This flexibility will avoid the need for special Board meetings to deal with day to day issues regarding this matter.

If a buyer has passed a Continental Country Club credit check within a 12 month period, another credit check is not required if additional properties are purchased; or
If a property owner is current with OM payments and has no late payments for a 36 month period, a credit check is not required to purchase additional properties.

Credit score for LLC's: Require a 700 credit score for the registered agent(s) and/or members listed on the Articles of Organization.

Credit score for Corporations: Require an 82 credit score.

Credit score is calculated based on FICO® Score 8 model, unless otherwise noted.

Purchasers must submit the pertinent personal information (usually first and last names, current address, and social security number) to CCC and agree to allow them to conduct a credit check before the purchase can be approved.
