On Florida Route 44 between Wildwood and Leesburg, Florida. 8 miles east of I-75, 6 miles west of U.S. 27.

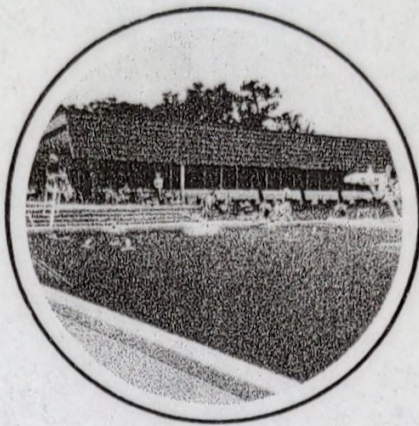

A NATURAL SETTING OF UNSPOILED BEAUTY.

Continental Camper—Wildwood is located between Wildwood and Leesburg, Florida, nearly centered in the State. It enjoys a climate that provides year-round camping/resort fun. The hundreds of wooded acres include towering, moss-draped trees in dozens of varieties flourishing throughout the area. Miles of cycling and hiking trails wind through dense growth of magnolia, pine, palm, holly and orange trees, oak and mahogany . . . many centuries-old. True nature-lovers thrill to the many rare species enjoying protected growth on the grounds, including some awarded "championship" status by the American Forestry Association. This is the type of lush growth that provides both beauty and seclusion to your campsite . . . and serves as a back drop for the resort facilities on the grounds.

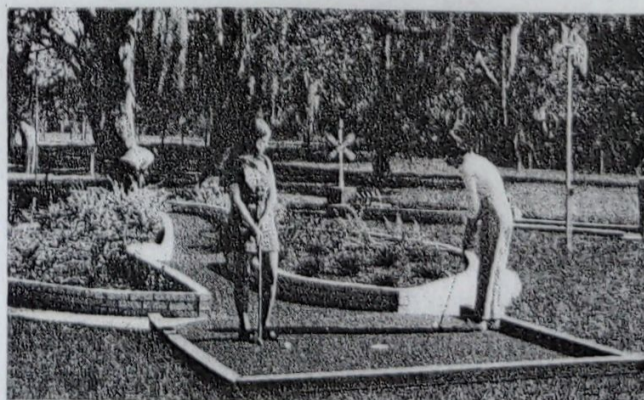

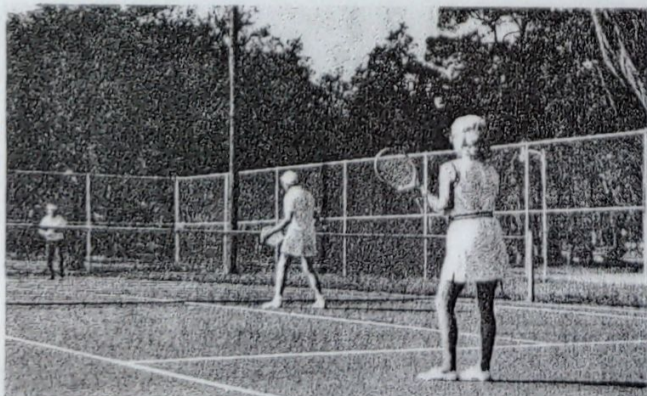

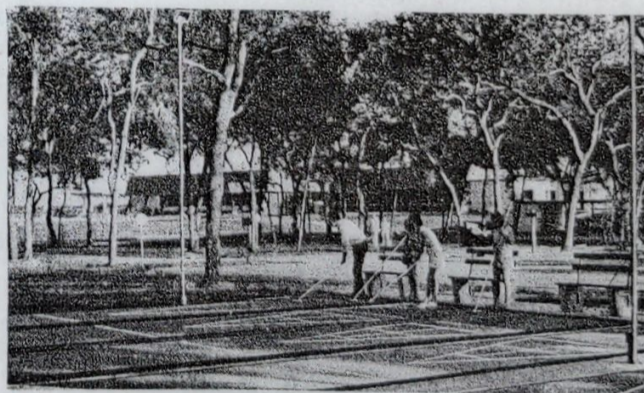

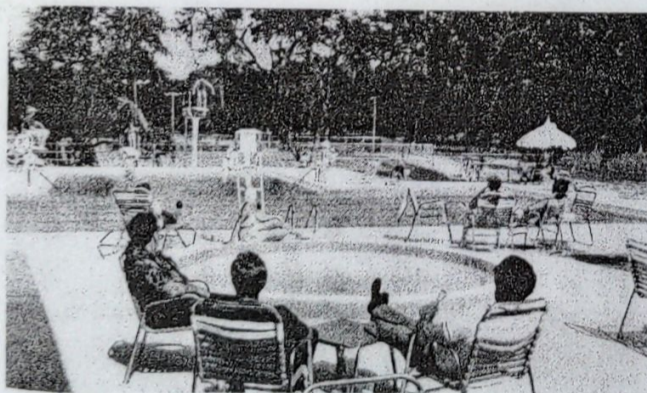

COMPLETE RESORT ACTIVITIES

"Family Togetherness" is never strained at Continental Camper-Wildwood. There's something for everyone. The big, modern clubhouse features a large recreation room, dining rooms, cocktail lounge, snack bar, golf pro shop and men's and women's shower and locker rooms for golfers and tennis players. Lighted tennis and shuffleboard courts, an Olympic-sized swimming pool, wading pool for youngsters, whirlpool and sauna baths, volleyball, tetherball, lighted miniature golf . . . all await your enjoyment.

A "general store" and gift shop are also a part of the general country club complex (these will open during 1973).

Supervised activities for children and teens, including games, crafts and sing-alongs will add to the many "conveniences" of this unique camper resort. Schedules of activities vary with the time of the year.

FLORIDA LUXURY CAMPING YEAR 'ROUND

Continental Camper Wildwood

YOUR PLACE IN THE FUN!

It's a new concept in family camping... secluded, unspoiled personal campsite in a natural forest setting, yet, all the luxury facilities of a complete resort and country club.

CONTINENTAL CAMPER—WILDWOOD is in the very heart of Florida's central highlands where camping is in season twelve months of the year.

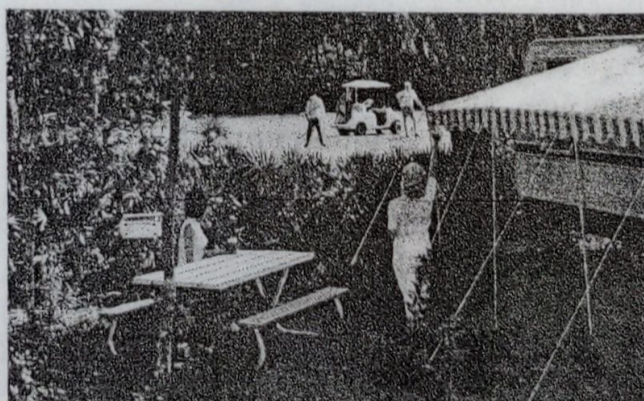

THE BEST OF BOTH WORLDS

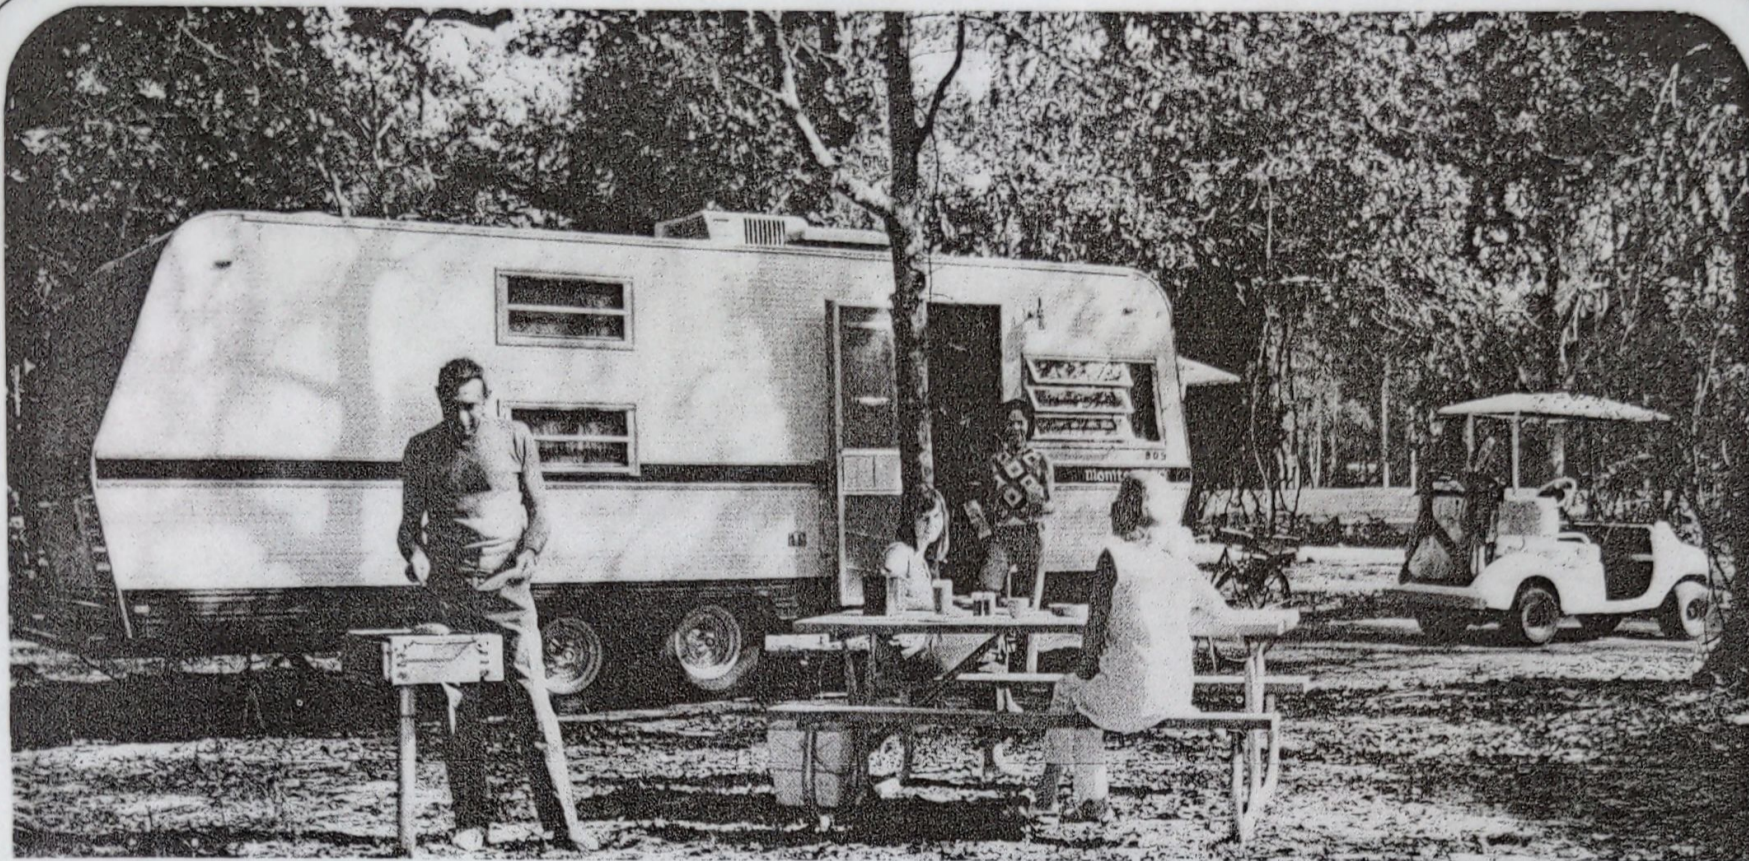

The movement is on . . . and growing. America has re-discovered the great outdoors . . . the relaxed enjoyment that comes when nature's lush greenery replaces the chrome and concrete.

At Wildwood, the terrain lives up to the name. The forest trails are easy to drive and lit at night by street-lights, making each campsite an accessible outpost. Trees make natural arches over the trails and the flowing night-forest is a particular thrill for an arriving family.

Non-golfers in the family will find themselves in a wooded wonderland set off by giant oaks . . . traces of an Indian trail dating to the Seminole wars . . . newly-carved roads that wind through beautiful forest-mazes . . . bird-watching sites . . . an orange grove and countless natural wonders.

With its golfing paradise and its Nature preserve back to back, Continental Camper/Wildwood offers the best of both worlds.
