

13th hole: This is the longest par 3 on the course with bunkers guarding the left and right side of the green. The narrow green puts a premium on accuracy and par is a great score on this hole.

**Dave Hutson** Dave just hit a hole in one on June 6, 2023 on this 13<sup>th</sup> hole

Use the right iron and hit it straight. Too bad they don't have instant replay, I would have liked to see the ball go into the hole.

**Pete Gettys**

It's all you want for a par 3.

**Suzanne Mann**

Got my first hole in one on #13!

**Pete Gettys**

**Suzanne Mann** I didn't know that. Congratulations 🎉🎉

**Suzanne Mann**

**Pete Gettys** thanks! 142 yards, as pin was in the back of green.

**Continental Championship Golf** ·

Unique tee location if you play the white or blue tees !

**Continental Championship Golf** I remember when the ladies tee was where the white tee box is now! Many years ago (during pro am event) one of our ladies got a hole in one and won a car!!

**Dave Hutson**

My favorite hole. I got a hole in one using a 5 iron at 138 yards. Wish the course had instant replay. lol 😄

**Robert Blair**

I've hit those wires more times that I've ever wanted from both blue and white. It is a great hole though but never easy.

**Sandi Reynolds**

One of my favorite holes

**Dan Huffman**

Good par 3. Plays a little longer than yardage. Can be a 2 club difference depending on tee and hole.

**Keith Walter**

The green always plays slower downhill than you would think.

**Scott Weaver**

Solid short Par 3. You must be aware of the wind by following the US Flags behind the green. Can play from 2 to 4 clubs different from day to day according to pin placement on the elongated green. I was fortunate to get my 5th overall hole-in-one last May with a 9 iron from 128 yards out.

**Mary Wooley**

We live very near this and it's AMAZING how often we hear balls hit the power lines. The sound it makes is distinctive and sort of fun!
