At least one Sarasotan, Mike Rogers, is slated to tee it up in the first **Continental Campers Open** at **Wildwood** next weekend. Co-sponsored by the Florida PGA, the tourney is an opening celebration for a resort which has set out to give campers a home away from home with all the advantages of a country club.

Campers can rough it in the wooded acres that include a cypress swamp and play golf at the nearby 18-hole championship course. There are also tennis courts and an Olympic-size pool.
